

CHARTER OF THE AUDIT COMMITTEE

(Adopted by the Board of Directors on April 17,2017)

I. PURPOSE

The Board of Directors (the "Board") of Rapier Gold Inc. ("Rapier") has established an Audit Committee (the "Committee") to assist the Board in fulfilling its financial reporting and oversight responsibilities to the shareholders of Rapier and the investment community.

II. COMPOSITION

The Committee will be comprised of a minimum of three directors as the Board may from time to time determine. A majority of members shall be "independent" as defined by applicable laws, including the requirements of National Instrument 52-110 of the Canadian Securities Administrators ("NI 52-110"), as such rules are revised, updated or replaced from time to time.

All members shall, to the satisfaction of the Board, be "financially literate" as required by NI 52-110, as revised, updated or replaced from time to time.

No director may serve as a member of the Committee if such director serves on the audit committee of more than three other public companies unless the Board determines that such simultaneous service would not impair the ability of such director to effectively serve on the Committee.

Committee members will be appointed annually, at the first meeting of the Board following the annual general shareholders meeting.

The Board may remove a member of the Committee at any time in its sole discretion by resolution of the Board. Unless a Chair for the Committee is appointed by the Board, the members of the Committee may designate a Chair of the Committee by majority vote of the full membership of the Committee.

III. DUTIES OF MANAGEMENT, EXTERNAL AUDITORS AND THE COMMITTEE

Management is responsible for the preparation, presentation and integrity of Rapier's financial statements and to establish, document, maintain and review systems of internal control and maintain the appropriate accounting and financial reporting principles and policies designed to assure compliance with accounting standards and applicable laws. Absent knowledge to the contrary (the details of which when known shall be promptly reported to the Board), each member of the Committee is entitled to rely on the accuracy of the financial and other information provided to the Committee by management and the external auditors and any representations made by management or the external auditors as to any non-audit services provided to Rapier or any of its subsidiaries.

External auditors are responsible for planning and carrying out a proper audit of Rapier's annual financial statements and related procedures. The external auditors shall submit annually to Rapier and the Committee a formal written statement of the fees billed in compliance with the disclosure requirements of Form 52-110F1 of NI 52-110.

The Committee is responsible to provide independent and objective oversight of Rapier's financial reporting process on behalf of the Board and to report the results of its activities to the Board. It is the responsibility of the Committee, to oversee the planning and conduct of financial audits and to recommend approval of Rapier's annual financial statements to the Board.
